

# CAPS®

The nation's largest network of  
outsourcing admixture pharmacies

Central Admixture Pharmacy Services, Inc.

It takes both to meet your compounding needs

**CAPS** offers twenty-two 503A regional pharmacies registered to dispense your customized, patient-specific Compounded Sterile Preparations (CSPs).

Parenteral Nutrition (PN)  
Patient-specific drug doses

- Our CAPSLink™ ordering platform integrates with your EHR PN ordering system, includes a CAPS pharmacist double-check and allows for custom standardized PN formularies
- Meets and exceeds USP <797> Guidance for Sterile Compounding
- Patient-specific labels with barcoding, ISMP-recommended label features
- Customized services with local delivery for patient-specific needs
- CAPS Consulting<sup>SM</sup>, Training & Educational Services available to help you optimize your facility

### Delivering solutions every day

Contact your regional CAPS pharmacy or Pharmacy System Specialist.

Contact our CAPS Consulting or PN Education Specialists.

**CAPS** offers two FDA registered 503B outsourcing facilities that are dedicated to providing high-quality, non-patient-specific CSPs nationwide.

Anesthesia Syringes  
Cardioplegia  
Drug Delivery  
Neonatal PN Starter Bags

- Providing cGMP compliant end product testing through our Test, Hold and Release (THR) process designed to ensure the integrity and sterility of all final CSPs prior to shipment to your facility
- Standardized, ready-to-administer preparations ready when you are
- Easy online ordering with CAPSLink
- NABP accreditation as a drug distributor ensuring supply chain integrity using only FDA approved drug components or when necessary, API from FDA registered manufacturers

### Delivering confidence every day

See attached list of CAPS 503B products for your outsourced compounding needs.
