CAPS offers two FDA registered 503B outsourcing facilities that are dedicated to providing high-quality, non-patient-specific CSPs nationwide.

Anesthesia Syringes
Cardioplegia
Drug Delivery
Neonatal PN Starter Bags

- Providing cGMP compliant end product testing through our Test, Hold and Release (THR) process designed to ensure the integrity and sterility of all final CSPs prior to shipment to your facility
- Standardized, ready-to-administer preparations ready when you are
- Easy online ordering with CAPSLink
- NABP accreditation as a drug distributor ensuring supply chain integrity using only FDA approved drug components or when necessary, API from FDA registered manufacturers

Delivering confidence every day
